GHEENT. The Royal Nurseries. BELGIUM.

Our business is to supply the public with the most choice and valuable plants, and to do so at the lowest possible prices. We have a large stock of plants, and are constantly receiving new arrivals from the most famous nurseries in Belgium and France. We are also engaged in the culture of plants, and have a large staff of experienced gardeners and cultivators. We are open to the public from 10 o'clock in the morning till 6 o'clock in the evening. We are situated in the city of Ghent, and are easily accessible by rail and by water.
